

UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

UNITED STATES OF AMERICA : Hon. Matthew J. Skahill
v. : Mag. No. 22-mj-4069 (MJS)
JOHN H. SELOVER : **ORDER FOR CONTINUANCE**

1. This matter came before the Court on the joint application of Philip R. Sellinger, United States Attorney for the District of New Jersey (Kristen M. Harberg, Assistant U.S. Attorney, appearing), and defendant John H. Selover (Rocco C. Cipparone, Jr., Esq., appearing), for an order granting a 60-day continuance under 18 U.S.C. § 3161(h)(7)(A).

2. This Court granted three § 3161(h)(7)(A) continuances previously in this case.

3. Counsel for the parties represented that this additional continuance is necessary for effective preparation and to permit the parties to attempt to resolve this case prior to indictment and thereby avoid a trial.

4. Counsel for the United States also represented that this additional continuance is necessary to prevent any more non-excludable days under § 3161(h) from expiring.

5. The defendant knows that he has the right under § 3161(b) to have this matter submitted to a grand jury within thirty days after his arrest.

6. The defendant, through counsel, has consented to this continuance.

7. FOR GOOD CAUSE, THIS COURT FINDS that this case should be continued for the following reasons:

a. Counsel for the United States has voluntarily provided the defendant with pre-indictment discovery and a pre-indictment plea agreement that defense counsel requires adequate time to review.

b. Despite the exercise of diligence, therefore, the circumstances of this case require giving defense counsel a reasonable amount of additional time for effective preparation.

c. Plea negotiations are currently in progress, and both the United States and the defendant desire additional time to negotiate a plea agreement, which would render grand jury proceedings and a trial in this matter unnecessary.

d. Consequently, the ends of justice served by granting the continuance and preventing any further non-excludable days from passing under § 3161(h) outweigh the best interest of the public and the defendant in a speedy trial.

IT IS, therefore:

ORDERED that this action is continued for a period of 60 days from May 6, 2023 through July 5, 2023; and it is further

ORDERED that the period from May 6, 2023 through July 5, 2023 shall be excluded in computing time under the Speedy Trial Act of 1974; and it is further

ORDERED that nothing in this Order or the application prompting it is a finding or representation that less than 31 non-excludable days under § 3161(h) have expired.

HON. MATTHEW J. SKAHILL
United States Magistrate Judge
